The Clerk read out the written report that was received from Cllr Morrish ahead of the meeting. It read as follows:

Hi All,

I'm sorry but I have to be at Bridgetule pc tomorrow evening so will not be with you.

Report

A very busy month from your Parrish with communications regarding Refugees, Roads, Planning, School buses and Dcc Farms. In total 22 emails were responded to as well as 5 phone calls.

Life at County hall is slowly getting back to normal with around 65% of staff back in the office.

At long last it seems the officers have backed down and have now said yes to double yellow lines down the hill [chapel street] after a long fight with me which will help the flow of traffic up and down the hill. The pothole team continue their endless job and this week are in the Bradford and woods Otto area.

I do apologise for not being with you and I hope your meeting goes well. Hope to be with you at your next meeting.

Kind regards, James

He was asked by Cllr Worden if additional officers should be employed and responded that it was not viable to do so however they are looking for a contractor for certain projects.
